A Publishers Weekly Top Book of the Year

INDIEFAB Editor's Choice Award for Fiction Book of the Year

"lyrical, evocative"and "sensuous"... "A tribute to magical realism and the transforming power of fiction."-*Publishers Weekly, starred review*

"Compelling...beautiful...and gripping..."-*Huffington Post*

"...a glowing road trip of magical realism."-*Pasatiempo Magazine of Arts & Culture*

"5 out of 5 STARS!"-*Seattle Post-Intelligencer*

"The prose is lyrical, the detail sumptuous, the story is humorous and heartbreaking, gorgeous and flirting with the line between magic and realism. It's a story that explores the innate power of literature: to connect, to heal, to transform."

-*Foreword Reviews editor, Allyce Amidon, in her remarks at the INDIEFAB Book of the Year Awards at the American Library Association Conference (June 2015)*

OUT THERE is the story of a young Army veteran (Jefferson Long Soldier) who returns home safely to New Mexico after two tours of duty in Iraq convinced that the book he carried with him (*One Hundred Years of Solitude* by Gabriel García Márquez) saved his life. But when he can't find a way to escape the dark memories of war, he borrows his cousin's motorcycle and rides south across the border to Mexico in search of the famous writer behind the magic of the life-saving classic novel. The adventure that follows is a heart-warming journey of healing and self-discovery. Humorous, redemptive and awash in magic realism, *Out There* is a beautiful homage to Gabriel García Márquez and a celebration of books that have made a difference in our lives. It is the book that's being called "*The Catcher in the Rye*" for the Iraq/Afghan War generation.

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to right now there but nothing reading significantly. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Out There: a novel can make you sense more interested to read.
