Planted in Love Mark Gyde

What is our life like when we live as God's son or daughter? What will change as we grow in relationship with our Heavenly Father? How do we walk as Jesus walked? In this book I hope to answer these and other questions so you can begin to understand how vast and amazing His love really is. In his foreword, Trevor Galpin writes: "In this book Mark gives us some essential keys to help us remain in the Father's love. This is a book that is rich in biblical truth and revelation which Mark presents in an accessible and life-giving way. Mark simply and carefully opens up the word of God and lays it out, line after line, like a rising tide of revelation. He is not afraid to address some contentious issues but does so by using biblical truth in order to win his readers over. This is a book that carries weight beyond its size. The depth of its insight and Christ-centred themes will delight our hearts and feed our minds."
