Taiwan's Politics in the 21st Century: Changes and Challenges

This unique volume highlights Taiwan's ongoing efforts to mediate between competing political actors, a means to ensure domestic stability and national security without severely affecting its continuous economic growth and sovereign status in the international society. "Taiwan's Politics in the 21st Century" concentrates on three general areas: domestic politics, political economy, and external relations. It is written by prominent scholars in the field, including John Hsieh, Shelley Rigger, Cal Clark, Alex Tan, Joseph Wong, T Y Wang, Quansheng Zhao, Guoli Liu, and Chyungly Lee. It also provides an overview of Taiwan's process of democratic consolidation, unravels dynamic interactions among various domestic and international actors in policy design and implementation, and explores future challenges to Taiwan thus leaving readers with a better understanding of the political complexity of Taiwan's attempts to strengthen its democratic governance and institutions.
