## **Through the Looking Glass** Lewis Carroll

Pruned to something less than half the original (using only Carroll's language), with chess moves, verse, chaptering, and main events intact: an abridgement that may find some use as an introduction, though any child who enjoys it should be steered to a complete edition. It's not true--despite Ross's otherwise sensible introduction--that all the humor is here (where are the "six impossible things before breakfast"?); but his forthrightly honest approach (even the title page reads "Abridged & Illustrated by..." in caps) merits some indulgence, while even purists will enjoy comparing his witty, freely rendered caricatures with Tenniel's elegantly limned art--which Ross's frequently parodies. (Fiction. 6+) -- Copyright (c)1993, Kirkus Associates, LP. All rights reserved. --This text refers to an out of print or unavailable edition of this title.
