## Every woman in town MUST serve her Man.

In Passion Heights, all the women are **gorgeous, big-breasted, statuesque bimbos** and all the men are **handsome, well-hung hunks**. Every woman is **fertile** and every man is **virile**; they never use protection and **can't stop making heirs**. Betty, a beautiful stalwart feminist, moves in with her husband, and immediately begins to investigate the strange town with her lovely neighbor Jasmine, another newcomer. But Betty and Jasmine aren't immune to the town's **bimbofying** charms—in fact, they're as susceptible as anyone, and as they discover more and more, they're only inserted deeper into the trappings of their new erotic society. Soon, Betty and Jasmine both realize their place as perfect, servile, **gorgeous bimbo wives** for their newly-stud-bodied husbands. They clean, cook, suck, and rut, all with **overflowing cup full of creamy delights**. But, someone powerful and **more masculine** than any other man in town has special designs on the beautifully bimbofied Betty, and will change every aspect of her sexy new life for his pleasure.
