**The Hobbit: An Unexpected Journey Chronicles: Art & Design** Daniel Falconer

*The Hobbit: An Unexpected Journey Chronicles: Art & Design* is a sumptuous celebration of the creative vision of Academy Award-winning filmmaker Peter Jackson's *The Hobbit: An Unexpected Journey*. The book is packed with more than 1,000 images of concept artwork, photographs and development paintings by the artists working behind the scenes to bring Middle-earth to life, who each provide detailed and entertaining commentary that reveals the story behind the vision.

As a bonus feature unique to this book, there is a special fold-out map printed in glow-in-the-dark ink and a giant four-page fold-out of Bilbo's contract.

Compiled by Weta Workshop senior concept designer Daniel Falconer, this is the first in a series of lavish hardcover books written and designed by the award-winning team at Weta, who are working closely with the production team to guarantee that these books will be bursting with insider information and stunning visual imagery.
