Since humans made the first flint arrow and fire strikers, and possibly long before that, crystals and stones have been seen as a source of wonder and in some cases power. In ancient times the Vikings used Iolite to help in Navigation. A slab of Iolite would be gazed upon to aid direction. This was because Iolite can bear a different hue when viewed at different angles, helping the mariner find north & south. It is also believed to protect for safe journeys. Today Iolite is often recommended as a stone to help one see the path ahead clearly, to promote clarity and aide in changes. Before the age of science and scepticism people knew these pretty colored rocks had a power and uses all of there own. They found application for them in their day-to-day lives for practical and mystical application. In the following pages you will be given a large amount of knowledge to allow you to return to the age of magick and practical uses for stones, crystals and minerals.
