**Befriending Truth: Quaker Perspectives: Quakers and the Disciplines: Volume 2** Jeffrey Dudiak  
Befriending Truth: Quaker Perspectives is Volume 2 of the Friends Association for Higher Education's "Quakers & the Disciplines" series. Truth, today, is a highly disputed notion, yet remains a central concern for Friends. This book is an exploration of the meaning and function of the complex notion of "truth" within Quaker life and thought, both historically, and in current practice. In this book a dozen Quaker scholars, from across the theological spectrum, and from a variety of disciplinary backgrounds, contribute their voices to this important discussion. Royalties from Befriending Truth (Q&D 2), Quaker Perspectives in Higher Education (Q&D 1), and all other books in the "Quakers & the Disciplines" series, will accrue to support the Friends Association for Higher Education's ongoing publishing efforts.
