## **Dragonbreat: Curse of the Were-wiener (Dragonbreath)** Ursula Vernon

Danny Dragonbreath and his best friend Wendell thought the hot dog from the school cafeteria looked a little . . . off. Then things got weird when the hot dog bit Wendell, and weirder still when Wendell started to sprout back hair. Could Wendell be morphing into a . . . (*cue ominous music*) were-wiener? All evidence points to yes. And unless he and Danny can get past the lunch ladies and slay the alpha-wurst, the whole school could be infected.

Written in Ursula Vernon's trademark hybrid style of comic-book panels and text, this is the thrilling third book in the series. In a starred review, Kirkus Reviews said *Dragonbreath* "will leave readers in stiches- and on tenterhooks waiting for the next one." *Curse of the Were-Wiener* will make kids everywhere laugh, shriek, and take a closer look at their lunches. Perfect for fans of *Wimpy Kid* and *Bad Kitty*.
