Plan Be: Be the Change You Want to See in the World Dave Andrews

Plan Be is a simple practical easy-to-use manual for a do-it-yourself global ethical revolution. In this book Dave Andrews rescues the 'beatitudes' from their obscurity as a poetic introduction to Jesus' sermon on the Mount, and reframes them as a set of radical 'Be-Attitudes' that we can use as a life-changing framework for 'being the change we want to see in the world'. In 8 concise punchy chapters Dave unpacks the hidden dynamics in the 8 Be-Attitudes and shows us how they can help us reshape our personal-political worlds. "When I met Dave Andrews a few years ago, I could feel the fire burning in him. Then I heard him speak. Then I read his books. Ever since, he has been and continues to be a major inspiration for my life and work...I think Plan Be will be his most widely - read book yet." - Brian McLaren, author and activist
