Specialized Ethnographic Methods: A Mixed Methods Approach (Ethnographer's Toolkit, Second Edition)

This collection of individually authored chapters provides cutting-edge approaches to ethnography.

Specialized Ethnographic Methods: A Mixed Methods Approach complements the basic inventory of ethnographic data collection tools presented in Book 3 with a number of important additional approaches to conducting ethnography. These include defining and collecting cultural artifacts, collecting secondary and archival data, cultural sorting and comparing methods, spatial research and analysis, network research and analysis, use of multimedia strategies for the collection of ethnographic data, ways to recruit and study “hidden populations,” and participatory ethnographic video production.
