## **Thalia Book Club: On Beauty with Author Zadie Smith** Zadie Smith

Author Zadie Smith discusses her much-anticipated third novel, *On Beauty*. Set on both sides of the Atlantic, the novel follows the chain of events when the son of a liberal British academic family falls in love with the daughter of an American right-wing icon. A brilliant analysis of family life, the institution of marriage, and the intersection of the personal and political, the book is also very funny indeed. Interviewed by Laura Miller of *salon.com*.
