There is a **Brazilian** version and **European** Portuguese version of the **Student Activities Manual**.

The organization of the **Student Activities Manual** follows that of the main text, providing further practice of each chapter's vocabulary and grammatical structures through sentence-building and completion exercises, fill-ins, and art- and realia-cued activities. Reading and writing activities include strategies for improving reading and writing skills. The audio recorded passages are followed by comprehension-check activities. The video based activities test students' comprehension of the video and invite them to react to the experiences and opinions expressed by the speakers. A substantial appendix to both SAMs provides additional targeted practice for Spanish-speaking learners of Portuguese.
