A war for a nation. The battle for her heart.

'Only once in his life had Sean met a man whose strength matched his own - and now, again, they were pitted against each other...'

Sean Courtney, impulsive adventurer of *When the Lion Feeds* returns from the wilderness a rich man - until he is robbed by the Boers of his wagons, his gold and the girl he loves.

A grim homecoming finds his country in the cruel grip of war. But in the bloody days ahead, conflicts within his family will prove far more bitter than any fought on the veld...

This is the gripping second novel, in the Courtneys sequence.

#### **Johnny Abel:**

As a university student exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some book, they are complained. Just minor students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that studying is not important, boring and can't see colorful photos on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The Sound of Thunder can make you really feel more interested to read.
